

COVID-19 Heroes from Hillside High School

Dr. F Vincent Allison III, DDS

Hillside High School Class of 1979
Resides in Durham, North Carolina

Exemplary efforts during COVID-19 pandemic: First 2 months (March and April 2020): he was available to treat dental emergencies. Beginning in May 2020, after putting in place all recommendations to treat patients safely by the Center for Disease Control and the American Dental Association, he re-opened his office for general dental care. Beginning in September 2020 he resumed teaching duties at the UNC Adams School of Dentistry monitoring dental students as they treated their patients.

COVID-19 Heroes from Hillside High School

Dr. Kenneth Brown

Hillside High School Class of 1987
Resides in Durham, North Carolina

Dr. Brown has treated patients, who tested positive for the COVID-19 virus who's symptoms were not severe enough to be admitted to the hospitals throughout the pandemic. He has also trained other doctors on how to naturally boost the immune system of patients during these unparalleled times.

COVID-19 Heroes from Hillside High School
